

FROM THIS MOMENT ON...

I understand that my digital / on-line presence is **documented evidence** of who I am, what I stand for, what I value, and what matters to me the most.

From this moment on, in order to become a more digitally responsible leader in my home, school, and community, I am making a personal commitment to do the following things new, differently, or better:

When it comes to my activity on Instagram, Snapchat, Tik Tok, Twitter, Facebook, Cell phone, etc., I am making a personal commitment to do the following:

New: _____

Different: _____

Better: _____
